

First Games Night

Who: You and your family that are 12+ years of age.

When: Saturday, January 28, 2012, 6:00pm (18:00)

Where: Don and Lois Colton's Lanai

Why: Because we love to have friends and do activities together.

What: This is a Games Night, where we sit around and mostly play board games, checkers, chess, card games, and when we finish or get tired of a game, we move around to other tables at your own free will, and pick new games. No agenda other than playing games, snacking, enjoying friends, and having a great time.

Babysitters: This is for people that are 12 and older, and so you have to decide who the babysitters are going to be. If this goes well, we will be having more of these. Babies in carriers or strollers are always welcome.

Edibles: Please bring some snacks, munchies, hors d'oeuvres, or drinks. We will provide the cups, and small plates. You can put food on the main tables or around you. The idea is to have a great time. If you need to eat dinner before coming, then feel free to do that.

Parking: The parking lot across the street usually closes about 8pm, and street or house parking is limited. You might consider putting all your goodies and games into a stroller and walking over. We have plenty of room for stroller parking. :-)

Games: Feel free to bring your own games or share ours. If it's windy, games like Monopoly with a lot of paper money, might be too aerobic. :-) So check on that day.

Questions: Call Lois 293-7243 home phone
