1 Bishopric

In November, we had had a change in the Bishopric. Clint Tuua moved to Utah and Mone Foukimoana was called as a counselor. I list it first even though it came later in the year.

2 Relief Society

In March we celebrated the Relief Society birthday by having a service auction. We collected points for various things and used them to bid on services that the RS sisters offered up for auction - services such as: baked goods, babysitting, movie night, etc. It was a lot of fun with rousing auctions.

Throughout the year the Relief Society had many, many opportunities to serve each other by taking food to families that had new babies, sickness, or other difficulties. Our ward is the best in willingness

to help others meeting needs with support and love.

On Sep 6th the Relief Society had a Progressive Dinner were the sisters went to several different homes.

3 Young Women

One week during Young Womens the Mia Maids worked on making aprons while the Beehives and Laurels worked on make overs. They had to meet in the nursery room and it was pretty cramped but fun.

Rebecca Fonoimoana, and Teuila Tu'ua.

4 Laie North Stake Cheerfest

In April the Laie North Stake had a Cheerfest. It was well attended and supported by our ward. All the wards participated and it was very well done. Here are lots of pictures and movies of all the wards performances that night. <http://loiscolton.com/2012/laie/linscheerfest/>

The Young Women had their annual Young Woman in Excellence Program. They each shared something that they had worked on during the year to complete their goals. Refreshments were served and a group photo was taken.

8 Death

17 June 2012 - Clayton Hubner. On Fathers Day, Clayton and his daughter Christina Hubner were traveling from Colorado to New York when a tire blew and Clayton was thrown from the truck and died. His death had a great impact on his friends, colleagues, and ward members. His daughter, Carlyn Hubner was serving a mission at the time and it was decided that she would continue her mission in New Caledonia. She did come home in November, though, to help her mother pack and move to Virginia. Clayton had children where were teenagers and young adults at his time of passing, so it will affect the remainder of their lives. A memorial service was held July 28, 2012 in the Laie, Hawaii, North Stake building in his honor. In August the two youngest Hubner children moved to Virginia to start school there. In December most of the rest of the family moved to Virginia also. The Hubners were a great addition to our ward.

9 Trunk r Treat

The Young Men and Young Women sponsored a Trunk r Treat for the Primary Children in the ward.

10 Kahuku Red Raiders Football Team

Once again our local high school football team won the State Championships. We love the Red Raiders. Much cheering to all our local boys.

11 Madelyn Nielson

In December, Madelyn Nielson who is in our ward and the wife of our local doctor had a stroke. She had several surgeries and is progressing towards recovery. It seems that 2013 will be impacted a great deal by her recovery and rehabilitation.

12 Ward Christmas Party

On the 20th of December we had our Laie 6th Ward Christmas Party. <http://loiscolton.com/laie6/2012/wardchristmasparty/> Michelle Blimes was in charge and the theme was Christmas Around The World. Jenny Hanks was in charge of the food. Families in the ward did the table decorations based on different cultures, and the entertainment was also based on different cultures.

Santa came and everyone wanted to be with him. Here he is seen with Bishop Kai'li.

The Primary sang a song.

Several groups performed. The website has several movies and more pictures. Here is a group from the Marshall Islands.
